

REMARKS

This Amendment is being filed in response to the final Office Action dated January 16, 2007. Applicant has incorporated the limitations of claim 2 into claim 1 and incorporated the limitations of claim 9 into claim 8. Claims 2 and 9 have been cancelled, without prejudice. In addition, claims 1, 8 and 11 have been amended to correct the structure of formula (1), claim 10 has been amended to correct a minor informality and to indicate dependency on claim 8. No new matter is introduced by this amendment.

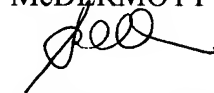

Applicant notes with appreciation the indication of allowable subject matter recited in claims 2, 3, 9 and 10. As all pending independent claims have been amended to incorporate the limitations of dependent claims indicated to be allowable, Applicant respectfully submits that all pending claims are allowable over the cited prior art.

Having fully responded to all matters raised in the Office Action, Applicant submits that all claims are in condition for allowance, an indication of which is respectfully solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
